## **Program Details**

Thank you for your interest in my Create Your Quantum Leap Intensive Program!

This is a one-of-a-kind experience where you'll discover who you are and what you are uniquely here to do in order to experience the profound fulfillment that fuels your life, your business, your legacy and, frankly, a lot more fun every day.

You will likely experience many mini-leaps while you're immersed in the program; just one "a-ha" moment can change everything. These moments are priceless because they are the guideposts that lead you directly to the easiest, most graceful and most profound source of true and lasting success in life and business, and form the foundation for your Quantum Leap.

And, this is why I'm so excited to invite you to be one of only twelve entrepreneurs that I'll be personally guiding and working with on this Quantum Leaping journey to personal transformation and true freedom.

### **Dates:**

As the program is a 'rolling' program offered at various times of the year, once you let me know your interest, you'll receive information about the next starting date of the program.

### **Details:**

This program includes: weekly tele-lectures with questions and answers, weekly buddy connections, monthly Affinity Seats Laser Mentoring, monthly 30-minute 1:1 personal session with me, e-books and bonus materials and wraps up with a manual that captures all that occurred during the program.

You must be willing to share your experience with your buddy connections and with me along the way, as well as commit 3 - 5 hours / week for this program.

Once you've completed the following questions, attach and email to [lynn@mycreativecatalyst.com](mailto:lynn@mycreativecatalyst.com). Once received, I will be calling you to answer any questions you might have and to learn more about you to make sure this program is a good fit. If you need additional assistance, please call (760) 534-4770.

Now, take a few deep breaths and remember everything is unfolding in Divine and perfect order for you. And, allow your Quantum Leap to begin...

To Your Quantum Leap ~~~

Lynn
