Retreat Details

Thank you again for your interest in my Discovering Your Soul's Purpose Retreat coming up September 23 – 25, 2010 in Austin, Texas!

This is a one-of-a-kind retreat, is where you'll discover who you are and what you are uniquely here to do in order to experience the profound fulfillment that fuels your life, your business, your legacy and, frankly, a lot more fun every day.

I'm planning the Retreat so you can give yourself the gift of time, space, peace-of-mind and loving support (in a relaxed environment) so you can gain the clarity, insight and knowledge you've been looking for and that can literally change the rest of your life.

Just one "a-ha" moment while you're immersed in the retreat can change everything. These moments are priceless because they are the guideposts that lead you directly to the easiest, most graceful and most profound source of true and lasting success in life and business.

And, this is why I'm so excited to invite you to be one of only four entrepreneurs that I'll be personally guiding and working with on this two-day journey to freedom.
